### Firefly Jar Craft

#### Supplies:

- Construction Paper, multi colors
- Glue Stick
- Tissue Paper
- Scissors
- Clear Contact Paper (if desired)
- Markers (or crayons)

#### Instructions:

- Draw shape of a mason jar and cut out.
- Cut out oval shape for body of firefly and two smaller ovals for wings. Cut out.
- Tear squared of tissue paper and glue to jar. Glue firefly parts as shown in photo. Use markers for writing on mouth and eyes.
- Cut jar top and bottom shapes and glue on.
- Draw outline of jar sides with marker if desired.

**Easier Option:** Make fireflies as described above and glue to construction paper to make a scene of them flying at night.
